

AMENDMENTS TO THE SPECIFICATION:

Please replace the paragraph beginning at page 9, line 15 with the following rewritten paragraph:

As shown in Figure 4A, there is provided a bracket 10 ~~connected~~ associated with the ~~moving~~ movable rollers 18 and 19 for moving the ~~moving~~ movable rollers 18 and 19 in the vertical and horizontal directions. The bracket 10 includes a vertical direction guide or groove 21 installed in a longitudinal direction of the bracket 10,
